Brazil

[Debbie Smith](#)

My family has been involved in short-term missions in Brazil for more than 10 years. We have developed a tremendous love for the Brazilian people and have a deep desire for them to benefit from consistent study of God's Word. I just completed Caleb training and am looking forward to going back to Brazil with the hope of sharing the CBSI vision of seeing "transformed lives through the Word of God."

Doris and Johnny Snyder

Honduras

[Johnny & Doris Snyder](#)

Doris, Honduran by birth, and Johnny, a missionary kid who grew up in Puerto Rico, married and moved to the United States in 1977. Thirty-one years later, our children married and actively following the Lord with their families, we heard God's call to return to Honduras. But how, and doing what? Early in 2008, dear friends introduced us to Frank and Marian Vroegop, who talked to us about CBSI. The Lord opened the door for CBSI in Honduras, and now at least 300 people in 22 classes are studying Gods Word through CBSI! We are humbled at God's call on our lives.

We prayerfully place ourselves in His care as we work with our Honduran brothers and sisters in EBCI (CBSI in Spanish).

Jamaica and Trinidad

[June Taklalsingh](#)

June is a native of Trinidad and Tobago who has been living in Canada for the past 27 years.

In 2002, June found the CBS program at a church in her home city of Mississauga and ventured out to take the study to her home country, where she is actively involved as a Caleb. In 2006 she was assigned as Caleb to Jamaica, now supporting the new class starts, while she introduced CBS to Grand Cayman earlier this year, with plans to include Barbados.

June has also pioneered Alpha in Trinidad and Grenada and has held Alpha leadership Training Courses in several Caribbean islands where she continues to promote CBS as the follow up discipleship program. In Canada, she started a CBS study in her home church in 2009. She is the class leader for that class.
