

Great Core Group Discussion

Ingredients:

- 1 Bible (ESV recommended, but not essential)
- 1 Lesson from the Gospel of Matthew
- 1 Pen or pencil
- 2+ hrs Thyme
- 1 *Bouquet Garni* consisting of love, compassion, joy, laughter, and lots of learning
- 1 Nametag

Preparation:

- Complete your lesson and hide God's Word in your heart—a great meal begins with good prep work. *(Recipe tip: Pray each day for understanding as you sit down to complete a portion of your lesson.)*

Directions:

- Set timer to 9:15 A.M. *(Recipe tip: Arrive earlier to get children settled in classes.)*
- Plan to attend class regularly so you can enjoy the meal together; everyone starts with the same recipe, but the flavor will be enhanced because of your own touch!
- Stir in generous portions of love and encouragement for one another—some cooks are new to the kitchen, while others are seasoned chefs, but there's always something to learn from God's "Recipe Book."
- Be a good steward of the host's "kitchen." There's always clean-up to do after cooking.
- Please silence your cell phone—otherwise the soufflé might fall.
- Please honor our no-gift policy. *(Recipe tip: Cards, encouraging words, & other acts of kindness are appreciated.)*

Cooking Time: 2 hours, 9:15-11:15 A.M. (allow an extra 15 minutes for fellowship days)

- ! Avoid kitchen fires by refraining from mention of individual churches/church denominations, books or Christian TV personalities/programs, politics, and sales or advertising, please.
